Continuing Education Credit

What counts for verifiable hours:

- Town Hall and Keynote sessions
- Concurrent sessions
- Workshops
- Graduate Research Network sessions

What does NOT count for verifiable hours:

- Social events
- Visiting exhibits
- Meals and receptions

If you picked up the Verification of Attendance form after attending any sessions, please include a copy of the first page of your notes from any sessions for which you do not have the presenter's signature on your verification form.

How to receive Continuing Education Units

1. Pick up this Continuing Education Credit packet at Registration or in the Exhibit Hall.
2. Attend as many conference sessions as you want. Keep track of your attendance by filling in the Verification of Attendance form (in the program book or in this packet) and asking the presenter (or a room attendant at plenary sessions) to initial in the space next to the session name. Round up to the nearest half hour when recording time (i.e. a 75-minute session or a 90-minute session both count as 1.5 hours).
3. After the conference is over, write a 2- to 4-page paper reflecting on what you have learned from attending the conference. Think about how the sessions you attended are related both to other sessions and to your own experiences as a teacher.
Write a two-to-four-page paper, which should a) synthesize the sessions you attended (do not summarize every session), and b) explain how the information gained at these sessions will help you professionally.
Please type your paper, using a 12-point font and double-spacing.
4. Fill out the UC Davis Extension course registration form completely. Include your credit card information or attach a check payable to *UC Regents*.
5. The paper and forms will not be returned to you. Please make a copy for your personal records before submitting everything.
6. Mail everything (Verification of Attendance form, reflection paper, UC Davis Extension course registration, and payment) in one envelope to Betsy Gilliland **no later than July 8, 2009**. Late registration packets will not receive credit.
7. Grade will be reported in August 2009. If you have any questions about your transcript or grade report, please contact UC Davis Extension program representative Sarah Ruano at 530-654-5945 or ssruano@ucdavis.edu.
